ABOUT MAD

VISION - To motivate ALL people to get MAD the right way through healthy cycles

Release - Relax - Receive

Release what you've been holding, **Relax** in an environment of healthy mindset changes, in order to **Receive** all that life has to offer you!

MISSION - The mission of the MAD foundation is to connect people from different backgrounds with different beliefs who desire the personal goal to become successful.

Designing a personal plan for success in a relaxed healthy environment that releases information necessary to receive the manifestations of personal goals.

MAD has the mission to manifest people, strengthen families, build better businesses (small + corporate), encourage higher education, connect with spiritual organizations, and assist higher level authorities.

GOAL

- Provide 25 families with a "MADhealth Box" (healthy foods box)
- Demonstration videos will be accessible through MAD YouTube Channel
- Healthy recipe cards that coordinate with the food options provided
- Free samples when permitted

*(Family size is based at 4 people per family)

MAD Community Meals

GOAL

- Provide 25 meals to individuals with disabilities
- Collaborate with a small business for meal preparation + location accessibility
- Open discussion with attendees about community concerns
- Obtain feedback for higher level authorities regarding community concerns

MAY 2023

EMPOWERMENT: SELF-HEALING

Let It Go: Finding Comfort in your Past: A meeting (with guest speaker) designed to address an issue from the past. Once addressed, formulate a plan to let go of that issue in order for progression in life to continue or take place. A reminder of how to use the cycles of releasing, relaxing, and receiving to find comfort and wisdom on moving forward. Motivation and positivity implemented through open discussion over food and drinks.

TARGET: 25 women between the ages of 21 and 45

GOAL

- To create an environment of safe release from one's past pains
- To educate 25 women on beneficial strategies to release stress.
- Create an experience of release that creates a mental memory of transition
- Provide a therapeutic session with a professional therapist to assist the women in creating their own plan for mental freedom

"MAD EDUCATION"

BLU-ED - Building Leaders with Untraditional Education

MADgrad - Untraditional Education - Homeschool - Georgia Curriculum-based

A maximum enrollment of five participants to achieve superior results

TARGET: Individuals between the ages of 17 & 21

GOAL

- Create a customized plan of action
- Obtain Georgia high school diploma through untraditional education or GED
- Chart progress of action plan
- One on one follow up

"MAD IN THE COMMUNITY"

COMMUNITY EVENTS + GIVEAWAYS

Community Release Party - an interactive activity with biodegradable lanterns

GOAL

- Provide a tangible visual to release in representation of letting go of the past
- Provide the community with a safe environment to release
- Provide a sponsored giveaway item to highlighted person(s)
- Provide motivation through a social media campaign:
 - Facebook
 - YouTube
 - Instagram
 - Zoom

MOBILE FOOD PANTRY + MAD MEALS

MADhealth Box

GOAL

- Provide 25 families with a "MADhealth Box" (healthy foods box)
- Demonstration videos will be accessible through MAD YouTube Channel
- Healthy recipe cards that coordinate with the food options provided
- Free samples when permitted

*(Family size is based at 4 people per family)

MAD Community Meals

GOAL

- Provide 25 meals to local veterans and members of Veteran Affairs
- Collaborate with a small business for meal preparation + location accessibility
- Open discussion with attendees about community concerns
- Obtain feedback for higher level authorities regarding community concerns

JUNE 2023

EMPOWERMENT: SELF-HEALING

Open Mic: Release of Self Expression: A meeting designed to create a platform for artists and unknown artists of all ages to release through different forms of art such as music, poetry, dance, painting, one act, and more. Motivation and positivity are implemented through open acts and the receiving of positive or enlightening messages from each performer. Meeting attendees will have the opportunity to speak about each performance in an open discussion organized manner.

TARGET: OPEN TO THE COMMUNITY 21 AND OLDER

GOAL

- Provide a platform for participants to express themselves in a creative way
- Provide a positive environment for open dialogue to provide people with honest feedback
- Provide an environment for people to release their stressors and worries within a safe space
- Provide a space for networking and connections through a positive environment of 'release, relax, and receive'

"MAD EDUCATION"

BLU-ED - Building Leaders with Untraditional Education

MADgrad - Untraditional Education - Homeschool - Georgia Curriculum-based

A maximum enrollment of five participants to achieve superior results

TARGET: Individuals between the ages of 17 & 21

GOAL

- Create a customized plan of action
- Obtain Georgia high school diploma through untraditional education or GED
- Chart progress of action plan
- One on one follow up

"MAD IN THE COMMUNITY"
